of NamibiaLand QuestionNo payment for farms:

After having various discussion ^{up} and land issue, the black community has taken the following decisions.

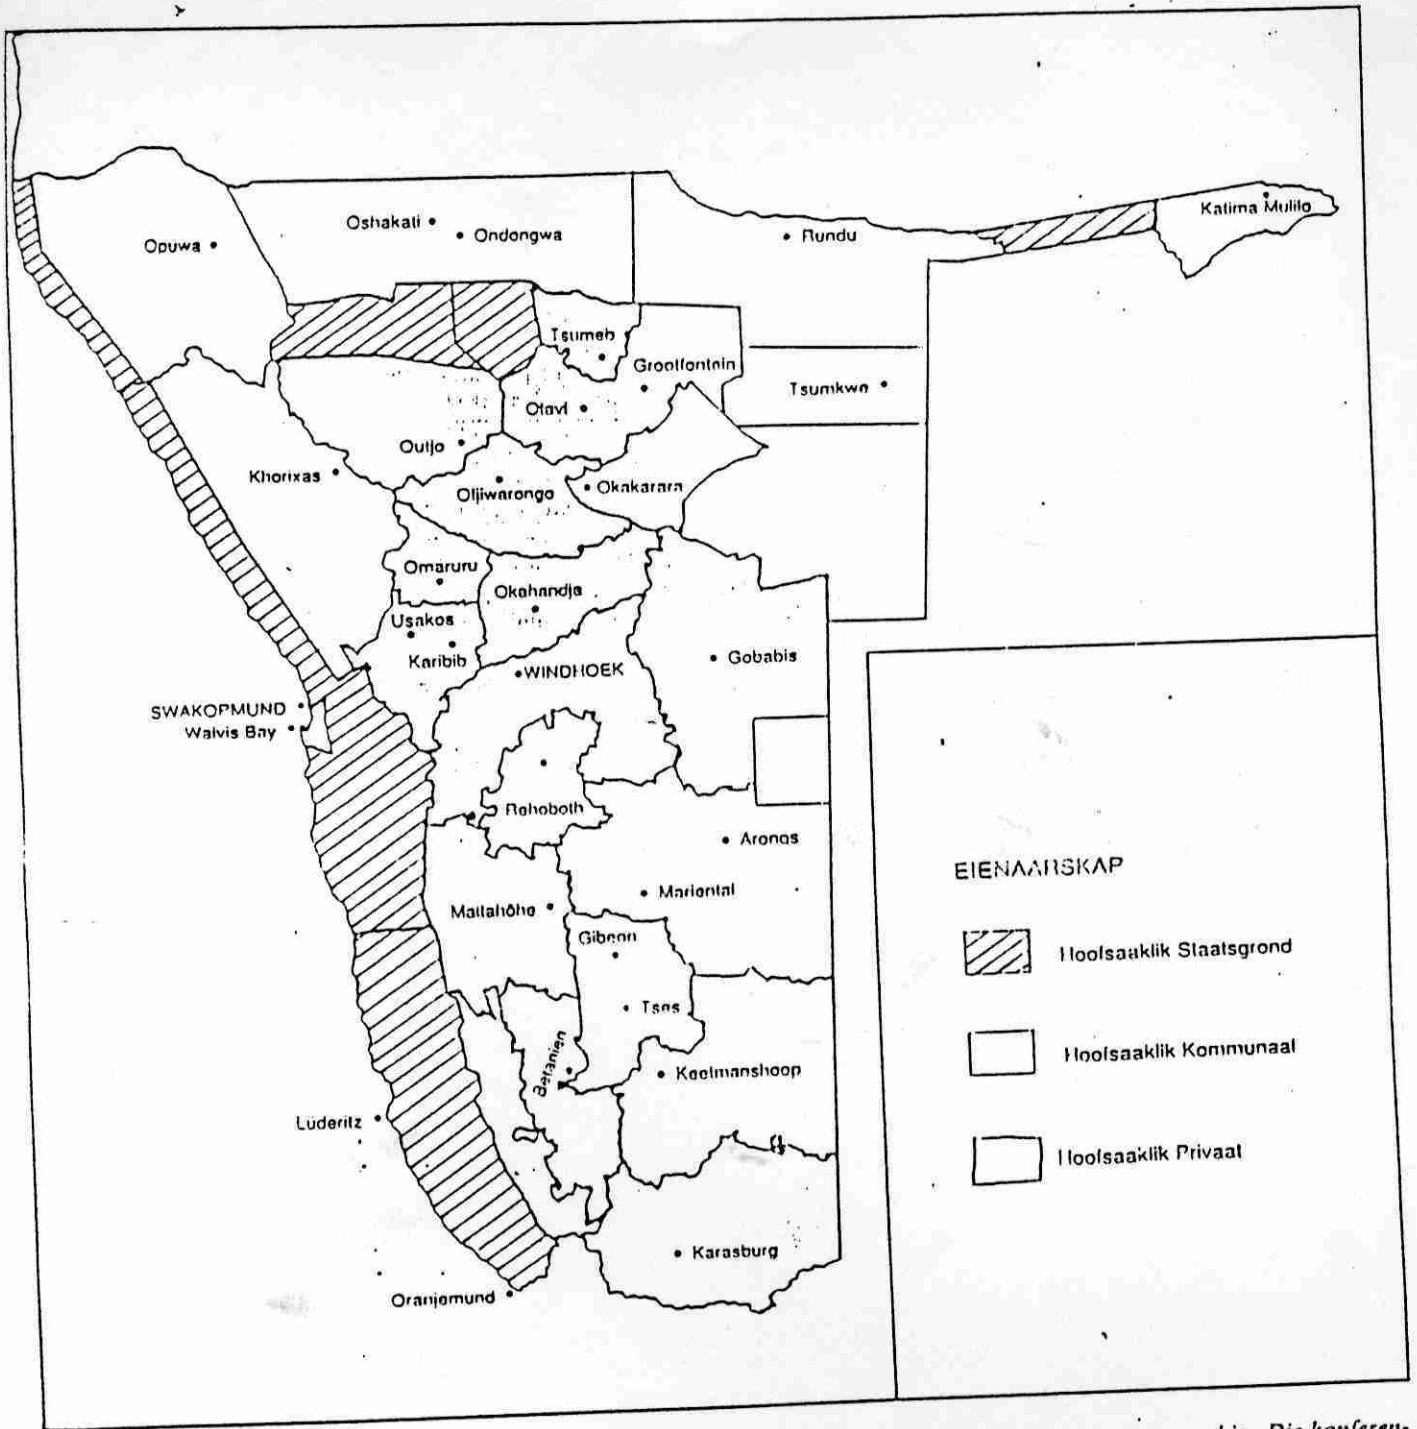

1. The country belongs to us, therefore we need not to buy back what is ours.
2. Those who have today land are not the right^{int}full owners of the ~~farms~~^{land}.
3. The whitesettlers have misused the kindness of our forefathers and robbed their land thus ~~we~~ are not able to pay it, today.
4. The Constitution on land Reformation should (review) rewrite on ownership of land, because it protect only the white farmers who have taken the country from us.
5. Those who are having farms in Namibië an staying over-sea should give back the farms to the people who are in waiting.
6. One farm for one farmer.
7. If one farmer has two farms then he should have a high-rate taxation. He should pay a high tax.
8. Finally the inheritance estate should be review according the kwota of one farmer one farm.
